The club is seeking your help as past and new members at the discounted membership rate while the committee explores options to continue the club in its current, or a revised structure, as detailed within the 2022 AGM Agenda/Minutes of 27 March 2023.

Although family memberships are not offered for this short period, we encourage your other interested family and friends to join as individual adult or junior member.

We are NOT Equestrian WA affiliated and insured at this time pending the future of the club. However, should the club continue into 2023 following the 01 May 2023 AGM, affiliations and insurances will be renewed with advice regarding club and ridden activities promulgated within the 2023 membership form. No ridden activities will be offered until that occurs.
